The NEP proposes sweeping changes including opening up of Indian higher education to foreign universities, dismantling of the UGC and the All India Council for Technical Education (AICTE), introduction of a four-year multidisciplinary undergraduate programme with multiple exit options, and discontinuation of the M Phil programme. In school education, the policy focuses on overhauling the curriculum, “easier” Board exams, a reduction in the syllabus to retain “core essentials” and thrust on “experiential learning and critical thinking”.

### The major recommendations of the NEP in higher Education.

- Replacing the UGC and the AICTE with the Higher Education.
- Opening up Indian Higher Education to Foreign players.
- Reintroduction of the four-year multidisciplinary Bachelor’s programme, with exit options.
- Flexibility to institutions to offer different designs for Master’s programmes.
- Discontinuation of the M.Phil Programme.
- Setting up of a National Research Foundation.

## Toppers of Batch 2018-20

Aparna Guha 1st

Chhaya 2nd

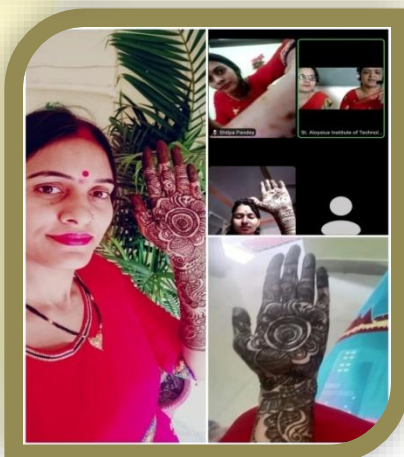

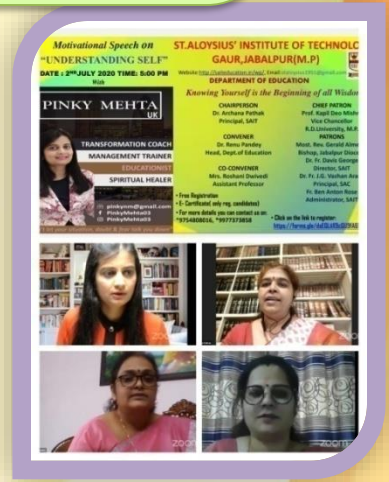

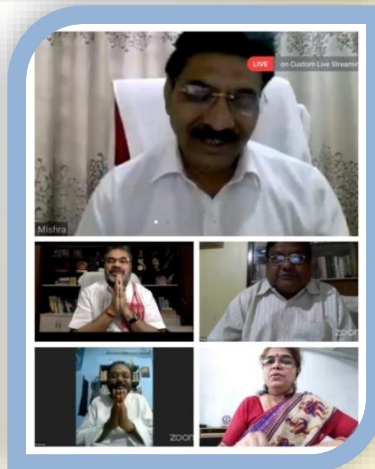

Ankita Sahu 3rd

### EVENTS:

- Rangoli & Mehndi Competition
- Scaffolding Activity based learning
- Online National and International Conferences
- Motivational speech on Understanding self by International speaker Pinky Mehta

### ACHIEVEMENTS:

- Three Edited Books Under Publication
- Two teachers enrolled for Ph.D.
