ABOUT SAIT (EDU.), JBP

St. Aloysius' Institute of Technology, (Education) was established in 2018, as the newest fruit of the dreams and aspirations of the Catholic Diocese of Jabalpur, with the aim of holistic development of the students and their capacity building through carefully designed academic programmes and extramural activities. It is the sister concern of St. Aloysius' College (Autonomous), Jabalpur (M.P.), Re-accredited A+ Grade by NAAC (CGPA 3.68/4.00).

SAIT (Edu.) is affiliated to Rani Durgavati Vishwavidyalaya, Jabalpur (M.P.) and M.P.B.S.E., Bhopal (M.P.), for undergraduate education in Arts, Science, Commerce, Management and Education. It has also been recognized by the National Council for Teacher Education (NCTE). The college focuses on molding its students towards leadership, creative and innovative thinking so that they can progress and face the challenges and competition that lie ahead in the global market and in their life. The motto of the college Virtus in Arduo Strength through Striving propels the Aloysian Fraternity to overcome barriers through constant perseverance. It has carried a legacy of being a beacon of efficiency and excellence. The college is named after St. Aloysius' Gonzaga, who harbored a burning desire to serve God and his fellow men.

ABOUT ICR-SET-2023

St. Aloysius' Institute of Technology (Education), Jabalpur is organizing first International Conference on Role of Science, Education and Technology (ICR-SET-2023) in Making India Self – Reliant and Globally Competent on 3rd and 4th February 2023. The international conference is being organized in collaboration with World Leadership Academy, KIIT, Bhubaneswar and Society for Technologically Advanced Materials of India (STAMI), Nagpur. The aim of the present conference is to bring together researchers, academicians, scientists, scholars, and industrial research organizations around the world to discuss and present papers for knowledge sharing and strategies to make India self reliant and globally competent.

The ICR-SET-2023 also provides a premier interdisciplinary platform for a great gathering from all over the world to exchange knowledge on the most recent innovations, trends, and concerns, as well as practical challenges encountered and solutions adopted in the fields of science, education and technology.

CONFERENCE THEMES
