ABOUT SAIT (EDU.), JBP

St. Aloysius Institute of Technology, Education was established in 2018, as the newest fruit of the dreams and aspirations of the Catholic Diocese of Jabalpur, with the aim of holistic development of the students and their capacity building through carefully designed academic programmes and extramural activities. It is the sister concern of St. Aloysius College (Autonomous), Jabalpur (M.P.), Re-accredited A+ Grade by NAAC (CGPA 3.68/4.00). St. Aloysius Institute of Technology is affiliated to Rani Durgavati Vishwavidyalaya, Jabalpur (M.P.) and M.P.B.S.E., Bhopal (M.P.), for undergraduate education in Arts, Science, Commerce, Management and Education. It has also been recognised by the National Council for Teacher Education (NCTE). The college focuses on moulding its students towards leadership and creative and innovative thinking so that they can progress and face the challenges and competition that lie ahead in the global market and in their life. The motto of the college Virtus in Arduo Strength through Striving propels the Aloysian Fraternity to overcome barriers through constant perseverance. It has carried a legacy of being a beacon of efficiency and excellence. The college is named after St. Aloysius Gonzaga, who harboured a burning desire to serve God and his fellowmen.

ABOUT RSET-2023

ST. Aloysius' Institute of Technology (Education), Jabalpur is organizing first National Conference on *Atmnirbhar Bharat: Role of Science, Education and Technology (RSET-2023)* on 15th and 16th September 2023. The National conference is being organized in collaboration with M.P, Council of Science and Technology. Atmnirbhar Bharat, the most comprehensive and an all-encompassing vision for achieving self-reliant India has already been heading the nation into the realms of inclusive growth leading towards the Antyodaya in the true and utmost sense of the term. The main aim of this conference is to bring together researchers, academicians, scientist, scholars and industrial research organizations around the world to discuss and present papers for knowledge sharing and strategies to make Atmnirbhar Bharat. The RSET-2023 also provides a premiere interdisciplinary platform for a great gathering from all over the India to exchange knowledge on the most recent innovations, trends, and concerns as well as practical challenges encounter and solutions adopted in the field of science, education and technology.
