About SAIT

St. Aloysius Institute of Technology (Education), established in 2018 by the Catholic Diocese of Jabalpur aims to foster holistic student development through quality academics and value-based learning. A sister concern of St. Aloysius College (Autonomous), Jabalpur, re-accredited with **A++ Grade by NAAC**, the institute is affiliated with Rani Durgavati Vishwavidyalaya and M.P.B.S.E., Bhopal, and recognized by NCTE.

Offering undergraduate programs in Arts, Science, Commerce, Education and Law the college emphasizes academic excellence, leadership, creativity, and innovation under its motto **“Virtus in Arduo – Strength through Striving.”** With a modern, green campus and ICT-enabled teaching, it nurtures students to lead with wisdom, compassion, and resilience.

Guided by **Rev. Fr. Thankachan Jose (Director)** and **Dr. (Mrs.) Renu Pandey (Principal)**, the institution integrates technology, skill development and global competencies to empower students for meaningful societal contribution.

About The Conference

St. Aloysius Institute of Technology (Education), Jabalpur is organizing Two Days International Conference on **“Artificial Intelligence’s Impact in Shaping the Future of Law, Science, Technology, Education and Management (AI-L-STEM)”** on January 30–31, 2026, **sponsored by the MP Council of Science and Technology, Bhopal**.

The conference aims to unite researchers, academicians, scientists, and industry experts to share knowledge and discuss AI's transformative role across L-STEM fields. By exploring AI's applications in healthcare, law education, agriculture, and industry, the event seeks to promote innovation and development in Madhya Pradesh. It will foster collaboration, economic growth, job creation, and advancements in technology, education, and industrial efficiency, positioning the state as a leader in AI-driven progress.
